NEW YORK, Jan. 25.—Money steady. Closing rate was 1 per cent. The highest was 2 and the lowest 1½ per cent. Exchange closed steady; posted rate, \$40.6180c; actual rates, 40.6180c for six days till 18 and 40.6184c for demand. Government bonds closed steady; current, 90, bid 90; 4½ coupon, 100; bid; extended 4s, registered, 96 bid.

The Chilian war scare had its influence in the speculations at the stock exchange. The news that an ultimatum had been sent to the little South American republic by her larger sister gave the aspect of a more serious outbreak than the controversy had manifested at any stage since the perpetration of the infamous outrage. The stock came off undisturbed during the day, but again advanced during the night. The market was quiet, but not so quiet as to give confidence to the government and the Whisk Trust took advantage of the quiet to hammer the market down. The closing prices were the lowest of the day. The decline ranged from 1½ to 2 per cent. The total sales were 300,341 shares.
